An aerial photograph showing a winding, light-colored road cutting through a dense, green forested area. The road curves from the bottom left towards the top right. In the lower-left foreground, there is a cluster of buildings and a small parking lot. The surrounding terrain is covered in various shades of green, indicating different types of vegetation or land use.

A scenic view of a valley town nestled among green hills under a clear blue sky. The town is built on a hillside, with numerous houses and buildings visible through the surrounding greenery. In the background, more hills and mountains are visible under a bright blue sky with a few wispy clouds.

A wide-angle photograph of a large, paved square in a rural setting. The square is paved with red brick pavers and features a prominent white diagonal line. In the background, there is a large, light-colored stone building with arched windows and a tiled roof, surrounded by greenery and flowers. The sky is clear and blue.
