The programme proposes to support actions to reduce road congestion resulting from freight traffic, to improve the environmental performance of the transport system and to enhance intermodal transport, thereby contributing to a more efficient and sustainable transport system which will provide EU added value without having a negative impact on economic, social or territorial cohesion.

CROATIAN

Otvoren je poziv za podnošenje projektnih prijedloga za 2012. godinu u okviru Marco Polo II programa.

Na raspolaganju je budžet od 64.6 milijuna eura. Prioritete u 2012. godini čine pomorski projekti s ciljem zaštite okoliša, projekti unutarnje plovidbe i željeznice s pojedinačnim vagonским prijevozom.

Poziv je objavljen 20. lipnja 2012., a rok za predaju projektnih prijedloga je 21. rujna 2012.

Datumi
